About This Game

Save the souls of prodigy children and their caretaker who disappeared during the fire in The Agency of Anomalies: Cinderstone Orphanage! As an agent of the Agency of Anomalies, it's up to you to find the phantoms and find out who started the deadly fire. Help the inhabitants of the orphanage use their extraordinary abilities to break the plans of the mystical brotherhood and escape! Search gorgeous Hidden Object scenes and solve a paranormal mystery!

This is a special Collector's Edition release full of exclusive extras you won't find in the standard version. The Collector's Edition includes:

- Bonus gameplay
- Awesome achievements
- Collectable items

Please, help us! The blast - the children and I are all trapped here now. Something absorbs our vital energy...we're fading away...

the agency of anomalies cinderstone orphanage collector's edition

Even better than the first in the series, this casual point-and-click adventure features many good hidden-object scenes and fun puzzle mini-games. The graphics are wonderful, and even the voice acting is surprisingly good.

Just don't expect the game to make too much sense. You have a bunch of cool supernatural powers, but are only allowed to use them when the game designers saw fit... If you don't worry too much about plot holes, you'll have a good time.

This game is the second in a series of four games: [Mystic Hospital](#), [Cinderstone Orphenage](#), [The Last Performance](#), and [Mind Invasion](#). The fourth game is not currently on Steam.. Even better than the first in the series, this casual point-and-click adventure features many good hidden-object scenes and fun puzzle mini-games.
